## Use of Websites

There are 2 main websites with which you need to interact as a participant in the England Hockey Board (EHB) Single System Player Pathway within Warwickshire:

[www.WarwickshireHockey.co.uk](http://www.WarwickshireHockey.co.uk) – the County's own website

[www.EHBPlayerSystem.co.uk](http://www.EHBPlayerSystem.co.uk) – the EHB (nationwide) online tool for collating details about players, and feeding back assessment / coaching feedback details

The main things to use each of these websites for are:

[www.WarwickshireHockey.co.uk](http://www.WarwickshireHockey.co.uk)

To check for latest news about hockey in the County, to check details about Training and Match Dates, and for those squads that use the site, to check squad selection etc. (some squads do this via email ONLY, but we are working on getting everyone to use the website)

- Fixture Details are available on the website under Single System>Training and Matches
- Other Useful information (re: kit, contact details for coaches etc.) can also be found under the Single System menu
- You can also see what we currently have recorded as your Availability for Training and Matches – it would be greatly appreciated if you could provide your Availability details so that we can add them to the website – please email [singlesystemrep@warwickshirehockey.co.uk](mailto:singlesystemrep@warwickshirehockey.co.uk) to provide these if we have the wrong information for you

[www.EHBPlayerSystem.co.uk](http://www.EHBPlayerSystem.co.uk)

- To provide your Contact and Medical Details
- To print off these details in the form of a Parental Consent Document so that you can sign it and hand this in to your relevant JDC / JAC coach – **N.B. every time you start at a new centre e.g. JDC or JAC, you will need to provide a new version of this signed consent form AND ALSO re-confirm the details held electronically on the website**
- To receive your feedback from your relevant Centre coach (including assessment scores)

### Log-ins / Passwords

These two sites do NOT link, and hence will have separate log-ins etc.  
HOWEVER, the main thing to note is.....

**You do NOT need a login to access the information relevant to you on the Warwickshire Hockey website – the “locked” areas are only for use by Coaches, Club/School Contacts and Managers**

### Maintaining Your Details

It is important that we have current contact details for you. This should be fairly simply to provide, simply ensure that the details on the EHB Player System website are up to date, as we will download the details off here at the commencement of every “phase” within the programme e.g. JDC or JAC.

**N.B. If your details change DURING a phase, please email us on [singlesystemrep@warwickshirehockey.co.uk](mailto:singlesystemrep@warwickshirehockey.co.uk) AS WELL AS updating the EHB Player System website so that we know to amend the Warwickshire site.**
